ÖTI – INSTITUT FÜR ÖKOLOGIE, TECHNIK UND INNOVATION GMBH SPENGERGASSE 20 1050 WIEN, AUSTRIA

CERTIFICATE

authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **PG025 136021.1**

for the following articles:

PG025 136021 OETI

Tested for harmful substances. www.oeko-tex.com/standard100

Terry products of brand "FROTERY" - towels, bath towels, bathrobes and other tailor made towels (with embroidery, bordure, piping, hanger and application) made of white, dyed and yarn-dyed terry and dyed woven fabrics produced from 100 % CO, bathrobes made of white and dyed knitted and terry fabrics produced from CO/PES, CV (bamboo)/CO/PES including accessories (sewing and embroidery thread, white nonwoven, hook & loop fastener, tape, PES buttons, metallic snap fastener, yarn-dyed woven and printed labels), beach towels produced from disperse printed knitted terry fabric made of 100 % PES, including accessories (sewing thread, printed label); exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate PG025 136021 is valid until 31.12.2018

Wien, 18.12.2017
